Description

New construction home by Custom Builders tucked away in the brand new Jesup development! The 2 bedroom, 2 bathroom ranch was masterfully designed for beauty and functionality. You’ll love the open concept of the main living area. Kitchen features center island and large pantry with dining room just off to the side. Laundry is conveniently located on the main floor next to all of the bedrooms. The master suite features bathroom with dual vanity and walk in closet. Full unfinished basement could be used for rec room, storage, or could be finished to add more living space. 3 stall attached garage.
