Description

This jewel of a property has something for everyone! Let’s start with the custom tiled foyer that leads into the formal sitting room and dining room, both with beautiful wood floors. Cook's kitchen with Silestone countertops, island cooktop, and cupboards galore! Handy breakfast area located off the kitchen and overlooking the family room, complete with woodburning fireplace. From the kitchen, stroll out onto the covered Tigerwood deck for grilling’ and chillin’. Expansive back yard with plenty of room for all the games – fire pit and garden shed, too! The main floor also includes a guest suite, built in 2006, that has its own bathroom, wet bar, and gas fireplace. Walking up the open staircase will lead to two bedrooms, full bath, and remarkable master bedroom with walk-in closet, and new personal spa with tiled walk-in shower, soaking tub, double vanity, and toasty in-floor heat. And there’s more! The lower level has two additional bedrooms, family room with gas fireplace (warms up the room in a hurry), 3/4 bathroom, office, and storage room. Oversized, attached two car garage. This home is located on a quiet cul de sac, and includes .97 acres. The pride of ownership shines through on this gem – make it yours, today!
